

Annual Report 2022

CONTINUED GROWTH

Since our formation in June of 2020, EPAC has continued to grow and evolve as an organization. 2021 lent itself to structural growth within the organization which allowed us to solidify a strong foundation. In 2022, EPAC was excited to increase our reach.

Key Highlights include:

- Launching our *free* Gym to Crag educational program to local climbing communities
- Doubling the number of stewardship events and volunteer participation
- Co-hosting a virtual panel regarding climbers and bat conservation in PA
- Co-presenting a session at the Pennsylvania Land Conservation Conference

CONSERVATION & STEWARDSHIP

EPAC partnered with land managers to host 11 events at 7 different climbing areas.

Projects includes:

- Trail maintenance
- Invasive species removal
- Bench Installation
- Trash pick-up
- Graffiti removal
